ANNOUNCEMENT

Once again it is our pleasure to invite you all to come back to our Annual Invitational Sale. Last year was a wet one for anyone who attended and we sincerely hope the weather man is kinder this year.

The wet weather didn't dampen our spirits and the same breeders will contribute as did last year and also we are happy and fortunate to have Nelson Currie back with us. The cattle are of the same good quality as have been sold in our first two sales.

If you have followed the breeding programs of the contributors you will note that only the best Canadian bred sires and Imported sires have been used in all our herds.

Our own herd in recent years has had two outstanding Gallinger bred bulls. KILLEARN BARON 3rd purchased at \$4,000.00 in 1950 and then KILLEARN NORMAN 8th purchased at \$2,500.00 in Mr. Harrison's Dispersal sale—a great sire. You will note that the high selling bull in Saskatoon Bull Sale in 1955 was by him and sold to Bob Hume, Carlyle, and again this year a bull bred exactly the same way topped the Saskatoon Bull Sale. You will like the bulls by him again this year.

The bull that has a lot of friends among everyone who attended our sales and saw him as a calf and as a two year old is "BEAU-FORT BRONCHO." Now as a three-year-old and with a number of his calves around you'll like him even better. His calves are a little young to put in the sale, except those that sell with their mothers, but you'll enjoy seeing them sale day.

We hope that by putting our sale on June 21st, the first day of summer, you will be able to take a day off and take in our sale. Whether you buy or not come anyway and bring a friend. It will be a day worth while for all cattlemen.

See you all then.

John T., Joan, and Ed. Clark,
Hillhurst Farms.

BEAUFORT BULLDOZER

Owned jointly by Almahurst Farms, Nicholasville, Kentucky and
Edellyn Farms, Wilson, Illinois.

The sire of our imported-in-dam Herd Bull. Already famous on two continents, BEAUFORT BULLDOZER is the only bull whose calves have won both International grand championships at the same show—the 1954 International. Both grand and reserve grand champion females at the 1956 Denver National Western were by him as were also the first prize junior calf, the second and third prize senior bull calves. The head of BEAUFORT BULLDOZER, pictured above, symbolizes the ultimate in Shorthorn character.

BONNIE MEAD SHORTHORNS

Again we are offering two bulls and four two-year-old heifers in this Hillhurst Invitational Sale, all sired by KILLEARN NORSEMAN 103rd. His picture and pedigree is shown on the following page.

We are proud of our bulls, particularly "BONNIE NORSEMAN 12th", a Breeders bull, worthy of your closest inspection. He should go to a top herd.

The heifers are deep-bodied, dark reds and roans, heavy in calf to SEARLE FORTRESS, the top selling bull at Searle Farms 1955 Sale. His sire is "SCOTSDALE EXPLORER" who also sired the top selling bull at the Searle sale this year. "SCOTSDALE EXPLORER" is by "CALROSSIE WELCOME" and out of a cow by "KIRKTON BARONET". Albert Hamann of the Shorthorn World stated it was the opinion of many breeders that SEARLE FORTRESS was fully equal to his half brother "SEARLE MAX PAYMASTER", Supreme Champion at the 1953 Royal Winter Fair.

FOREWORD

I would like to thank all buyers, bidders, and those who attended the Hillhurst sale last year, and to extend an invitation to all Shorthorn enthusiasts to attend again. We feel that there will be an attractive offering this year. It is our aim to offer only Shorthorns that will prove satisfactory in the herds where they may go. If, for any reason, animals do not prove satisfactory we welcome the opportunity to make adjustments. We will be looking forward to meeting many of you again on June 21st.

R. H. Hume,
Reliance Shorthorns.
